

# Coming:

Size from:	Most ULD sizes	
Footprint from:	317.5x223.5	Cm
Weight from:	65	Kg
Max air pressure:	0,2	Bar
Est mounting time from:	5	min
Material:	PVC/TPU/DWF	
Warranty	12 months	

## Inflatable ULD Cooler

- Preventing damage to ULD
- Keeping constant temperatures on goods
- Constant tempered air with defined temperature
- Reusable – low Co2 footprint
- Deflated for minimal storage/shipping space
- Modular design for easy handling
- Deflated for minimal storage/shipping space

### Included:

- 50mm insulation
- Sun reflective coating
- Fast inflation

### Options:

- Battery pack
- GPS Tracking
- Temperature control & reporting
- Fits most ULD
